Overview

AIM Guard Security Systems (AGSS) is a 100% Papua New Guinean-owned security firm, incorporated under the Security Industry Authority (PNGNSIA) Act. Established in December 2022 and operational since 2023, AGSS delivers professional, reliable, and client-focused security solutions across Papua New Guinea.

Founded to address growing security challenges, AGSS provides services including static guard & close protection, armed response, repossession, real estate security management, CCTV/video surveillance, VIP escort, and event security.

Our partners and management team bring extensive experience in security, finance, and operations, while our trained personnel ensure high standards, professionalism, and compliance.

With a strong presence in the National Capital District, AGSS is committed to expanding nationwide, setting the benchmark for security services in PNG.

Strategy

Vision Statement

To be the benchmark of excellence in Papua New Guinea's security industry by delivering innovative, reliable, and customer-focused security solutions.

Mission Statement

To safeguard people, property, and institutions through proactive, affordable, and professional security services that create safe environments for growth and development.

Core Values

- **Integrity** – We conduct business ethically, transparently, and fairly.
- **Customer Satisfaction** – We strive to exceed expectations and ensure positive experiences.
- **Safety & Reliability** – We uphold high standards of safety and fleet reliability.
- **Professionalism** – We maintain excellent conduct and service presentation.
- **Innovation** – We embrace technology and modern practices for better service.
- **Community Engagement** – We actively support and engage with the local community.

Core Services

AGSS offers a wide range of integrated security services tailored to the PNG environment:

- **Static Guard & Close Protection** – Professional guards for businesses, residences, rural sites, and individuals requiring personal security.
- **On-Call Security Services** – 24/7 rapid response to emergencies such as theft, vehicle hijack, or safety threats.
- **Armed Response** – Deployment of trained and licensed armed officers for sensitive facilities, diplomatic compounds, and corporate premises.
- **Repossession Services** – Nationwide repossession of vehicles and properties with strict adherence to legal and ethical standards.
- **Real Estate Security Management** – Monitoring and securing commercial and residential complexes.
- **CCTV/Video Surveillance** – Installation and monitoring of surveillance equipment to deter crime and ensure safety.
- **Security Audits** – Comprehensive safety, environmental, and operational risk assessments for businesses.
- **VIP Escort, Event Management & Pickup/Dropoff Services** – Specialized services for high-profile clients, events, and gatherings, including secure transportation to and from locations.

Competitive Strengths

AGSS Competitive Strengths

- **Experienced Leadership** – Management team brings a combined 86+ years of international safety and security, legal, ICT, financial and business development experiences ensuring strategic oversight and operational excellence.
- **International Best Practices Adapted Locally** – Expertise in SOPs, standards, protocols, and continuous improvement allows AGSS to implement global security practices tailored to the PNG context.
- **Comprehensive Security Services** – Offers a full spectrum of services, from static guards and armed response to VIP escort, event management, and pickup/dropoff services, meeting diverse client needs.
- **Operational Excellence & Compliance** – Strong focus on staffing, resource allocation, and regulatory compliance ensures high-quality, reliable, and ethical security operations.
- **Rapid Response Capability** – 24/7 on-call services and armed response teams provide clients with swift and effective solutions to emergencies.
- **Technology-Driven Solutions** – Advanced CCTV and video surveillance, coupled with security audits, enhance risk management and situational awareness for clients.
- **Client-Centric Approach** – Emphasis on service excellence, professionalism, and continuous improvement fosters trust and long-term partnerships.
- **Adaptability & Local Knowledge** – Ability to operate across diverse environments, including urban, rural, and high-risk areas, leveraging local intelligence and insights.

Fleet

AGSS maintains a fleet in Port Moresby to support local security operations, providing safe and reliable transportation for personnel, clients, and operational deployments. The fleet comprises:

- **1 × Ford (utility vehicle)**
- **1 × 10-seater Landcruiser**
- **1 × Hiace Bus**
- **1 × 25-seater Bus**

This range of vehicles enables AGSS to efficiently deploy staff for after-hours transportation, static guarding, VIP escorts, and other security services across Port Moresby and surrounding areas

Leadership/Management Team...

Dr. Daniel Napili
Country Client Relations Manager,
AIM Guard Security Systems

Dr. Daniel Napili is a dedicated professional with more than eight years of experience in the healthcare sector. He holds a medical degree from the University of Papua New Guinea, specializes in surgery, and is currently pursuing a master's in surgery.

In addition to his medical career, he serves as Country Client Relations Manager at AIM Guard Security Systems (AGSS), where he leads strategic initiatives, manages high-priority projects, and drives client onboarding and business expansion.

Dr. Napili combines clinical expertise with corporate leadership, bringing a disciplined, analytical, and client-focused approach to complex challenges. His commitment to excellence across both medicine and corporate operations positions him as a dynamic leader bridging service delivery, strategic planning, and client relations.

Ms. Mary Napili (CPA)
Senior Finance Manager, AIM
Guard Security Systems

Ms. Mary Napili is a certified accounting and finance professional with over 22 years of senior leadership experience. She holds a Bachelor's Degree in Accounting from the PNG University of Technology and is a Certified Practising Accountant (CPA PNG), reflecting both her expertise and professional standing.

She previously served as Chief Accountant with Consort Express Lines (Steamships Group), where she managed accounting operations, statutory compliance, payroll systems, and financial reporting for a major national logistics company.

At AGSS, Ms. Napili leads payroll, accounts oversight, regulatory filings, and compliance reporting. She is recognized for her integrity, precision, and ability to strengthen financial transparency and accountability — ensuring AGSS meets statutory requirements while building client confidence.

...Leadership/Management Team

Mr. Mathew Galman
General Manager, Operations
AIM Guard Security Systems

Mr. Mathew Galman brings over 28 years of hands-on experience in international safety and security, having worked with international and local NGOs, private firms, and faith-based organizations. As General Manager of Operations at headquarters, he oversees day-to-day operations across the region, ensuring that security protocols, staffing, resource allocation, compliance, and response systems consistently meet the highest standards. He is highly versed in SOPs, international standards, service excellence, operational processes, protocols, and continuous improvement initiatives, enabling AIM Guard Security Systems to operate at an international level of professionalism. Renowned for his strategic insight, Mr. Galman adapts global best practices to local contexts, fosters partnerships, and leads diverse teams in complex environments. Under his leadership, AIM Guard Security Systems continues to deliver reliable, high-quality security services while continuously enhancing operational effectiveness.

Mr. Willie Mell
Operations Manager, Southern
AIM Guard Security Systems

Mr. Mell holds a Bachelor's degree in Economics from UPNG and brings 18 years of experience across banking, telecommunications, marketing, sales, distribution, construction, and SME consultancy. His former roles include Interim National Sales Manager for Bmobile Vodafone, Regional Sales Manager – Highlands for both Oceanic Communications Ltd and Telikom PNG (different times), and Senior Business Development Advisor for ExxonMobil.

He has led nationwide sales and distribution initiatives, revenue-saving projects, and SME training programs. His expertise spans business development, sales and marketing, project management, team leadership, financial analysis, and strategic planning. Known for his insight and operational excellence, Willie consistently drives growth, customer acquisition, and efficiency.

...Leadership/Management Team

Mr. Andrew Pundu
Legal Officer
AIM Guard Security Systems

Mr. Pundu is a legal professional with a Bachelor of Law and Diploma in Business Management from the University of Papua New Guinea. Experienced in corporate law, compliance, contracts, and regulatory frameworks, with focus on security operations and risk management.

Skilled in reviewing and drafting contracts, providing legal guidance on operational policies, liaising with authorities, and mitigating legal risks. Detail-oriented and solution-focused, advising management to ensure AGSS operates within PNG law and upholds professional and ethical standards.

Tinga Pinabba Yabbo
ICT Team Leader
AIM Guard Security Systems

Mr. Yabbo holds an Advanced Professional Diploma in Information Technology from the University of Technology/Datec Learning Center and has over 10 years' experience in IT systems, networks, and technical support across banking, telecommunications, international organizations, and ICT service providers.

He has worked as IT Technical Support at Westpac Bank PNG, Systems Administrator at National Finance Limited, ICT Systems Engineer (Tier 3) at Digicel PNG, and consultant for FHI360 and FAO. He has led Microsoft 365 rollouts, Active Directory migrations, SQL management, DNS administration, infrastructure upgrades, and ticketing deployments, ensuring secure and reliable ICT operations for AGSS.

...Leadership/Management Team

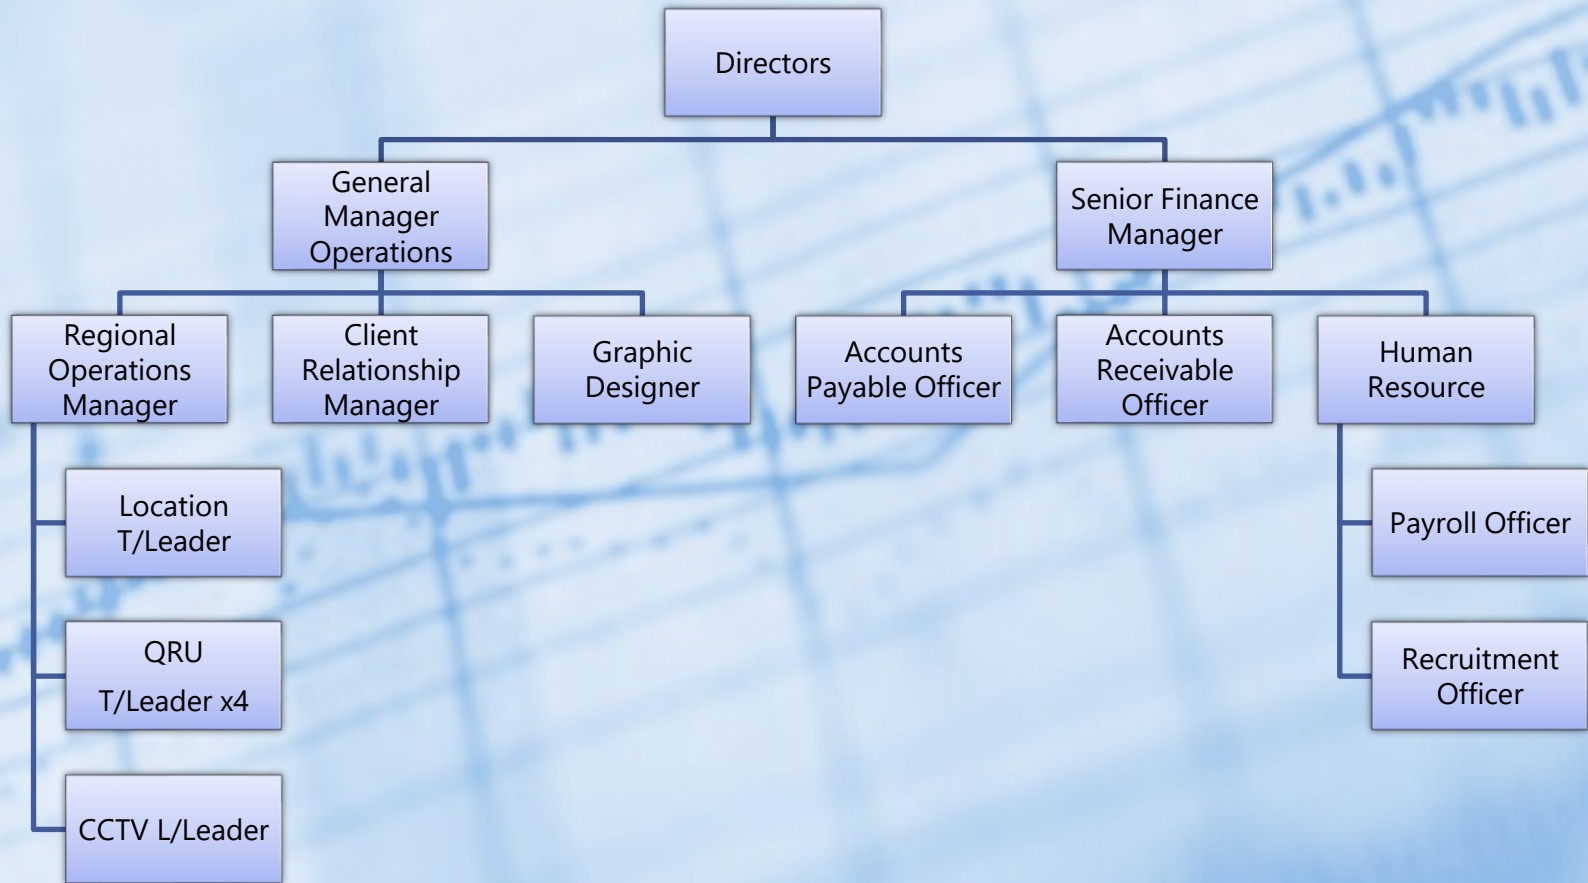

Mr. Chris Tapi
Security Manager
AIM Guard Security Systems

Mr. Chris Tapi is a seasoned security professional with over 9 years of experience across Papua New Guinea's hospitality and private security sectors. He has held key roles with Lamana Hotel, Cosmopolitan Night Club, Laguna Hotel, and Kanmok Security, advancing from frontline duties to management.

As Security Manager at Lamana Hotel (2019–2024), he oversaw daily operations, staff supervision, and risk management, ensuring safety compliance and efficient incident response. He holds certifications in Fire and Safety, Crowd Control, and Firearms Handling, and was recognized as Employee of the Year for outstanding leadership.

Mr. Tapi's strong leadership, communication, and decision-making skills enhance AGSS's capacity to deliver disciplined, professional, and client-focused security solutions.

Organizational Structure

Compliance & Regulatory Assurance

Aim Guard Security Systems (AGSS) operates in full compliance with Papua New Guinea's statutory and industry regulations, ensuring professional and accountable service delivery. Key compliance credentials include:

- **IPA Registration:** AGSS is duly registered as a legal business entity under the Investment Promotion Authority of PNG.
- **Taxation Compliance:** Holds a valid IRC Taxpayer Identification Number (TIN) and maintains tax returns filing.
- **Industry Licensing:** Fully licensed under the PNG Security Industries Association (PNGSIA), adhering to national standards for security operations and personnel management.
- **Insurance Coverage:** Maintains comprehensive insurance policies, including public liability, employer's legal liability under the Workers Compensation Act of PNG, and common law coverage for personal injuries sustained by employees during the course of their employment.

These measures underscore AGSS's commitment to lawful, professional, and responsible security services.
